Somerville Secondary College will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, formals on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

We understand that every child is unique, and that there will need to be a range of different pathways to support the journey of each student through our school. We work in partnership with families to deliver a holistic education in which we will together equip our students with not only the desire but also the skills to play an active role in shaping the future, and to have a positive impact on the world.

The work we undertake is guided by our vision statement and College Values of Integrity, Respect and Responsibility. These values form the basis of all interactions between staff, students, parents and the broader community as we work together to support students in their learning to achieve their desired pathways.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Somerville Secondary College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.
