

# Somerville Secondary College Student Dress Code Policy

## PURPOSE

The purpose of the Student Dress Code is to outline Somerville Secondary College's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Somerville Secondary College's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Somerville Secondary College's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

College Council requires ALL Students in Years seven to twelve to wear correct school uniform at all times. Students are expected to arrive at school in uniform that is clean and in good order. Sanctions apply for non-compliance with uniform rules. This policy depends upon parent support and willingness to endure that their children are correctly dressed for school.

## SCOPE

College uniform rules also apply whilst travelling to and from school. Students who have Physical Education either first or last period may wear the College sports uniform to and from school on those days.

## UNIFORM AND APPEARANCE

The full list of Somerville Secondary College's compulsory school uniform items are available at Appendix A to this policy.

### **General appearance**

While at school, travelling to or from school or participating in school activities, Somerville Secondary College students must comply with the following:

- Uniforms must be clean and in good repair
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.

Measures taken by Somerville Secondary College to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

## EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background

- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

### OUT OF SCHOOL UNIFORM

Students are expected to be in the correct college uniform daily. An explanatory note signed by a parent/guardian must be brought to school, if, due to unforeseen circumstances they are out of uniform and the student will be issued with an Out of Uniform pass. On these rare occasions, only clothing as close as possible to the school uniform should be worn. Denim jeans are not worn under any circumstance. Students not complying with the uniform requirements can expect to be withdrawn from class or sent home to change. Students and their families should ensure uniform is organised daily. Students out of uniform can expect to be challenged by any teacher or staff member in regards to complying with the college uniform requirements.
