PURPOSE

The purpose of the Student Dress Code is to outline Somerville Secondary College's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Somerville Secondary College School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- prevent bullying and competition on the basis of clothing
- ensure students' appearance reflects the expectations of their school community
- enhance the profile and identity of the school and its students within the wider community
- strengthen the spirit of community within the school
- enhance individual student safety and group security
- ensure all students are dressed safely and appropriately for school activities
- prepare students for the expectations of workplaces
- encourage students to present themselves appropriately for a particular role.

IMPLEMENTATION

Somerville Secondary College will ensure that this Student Dress Code and uniform item list is communicated to all families and students through our website. We will assist students who may be experiencing difficulties complying with this policy where possible.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents/carers by the classroom teacher or Sub-School leader. If non-compliance with the student dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the

student and family to support compliance. Lack of compliance to the dress code without a valid reason may result in further consequences such as detentions.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that the enforcement of this Student Dress Code may impact students differently.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of the code:
 - prevents students from being able to attend school or participate in school activities on the same terms as other students because of the [personal characteristics referred to in human rights and anti-discrimination requirements](#)
 - offends a religious belief held by the student or parents/carers
 - prevents students from complying with a requirement of their religious, ethnic or cultural background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or the parents/carers can demonstrate financial hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carer
- guarantee that issues of a personal nature revealed to substantiate the request will be strictly confidential
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties, including providing advice about support with meeting uniform costs. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents/carers.

Out of school uniform

- Students are expected to be in the correct college uniform daily and students and their families should ensure uniform is organised daily.
- Students out of uniform can expect to be challenged by any teacher or staff member regarding compliance with the college uniform requirements.
- An explanatory note signed by a parent/guardian must be brought to school, if, due to unforeseen circumstances they are out of uniform. The student will be issued with an Out of Uniform pass. On these rare occasions, only clothing as close as possible to the school uniform should be worn.
- Denim jeans, hoodies and inappropriate clothing is not acceptable under any circumstances.
- Students not complying with the uniform requirements will be unable to attend classes in these cases.

CASUAL DRESS DAYS

- Students may wear casual dress and contribute a gold coin donation for a charity or fundraising event. If no donation is made, full school uniform must be worn. Unacceptable items of clothing

include thongs, open toed shoes, clothes with offensive words, emblems or symbols or clothes that can be perceived to be explicit or offensive.
