

Music Program Year 7, 2025

(Extra-curricular)

If your child wishes to learn a musical instrument, this is the opportunity to be involved in the Music Program!

Being part of the College’s Instrumental Music Program means that your child will have lessons once a week on their chosen instrument. Students will learn to develop their creative skills, record their music and be given the opportunity to perform in front of audiences. The music program is highly encouraged for students who wish to continue to study music as a VCE/VET course in Years 11 & 12.

We are offering **half price** instrumental music tuition throughout the year for students in Year 7 - instead of the full \$400 for the year, we are offering a year of instrumental music tuition for \$200. (\$100 per semester).

The music tuition fee includes provision of Instruments during lessons; however, these will not be available to take home. It is recommended that students acquire their own instruments to practise on during the week.

Please complete the details below. This will ensure your son/daughter is reserved a place in the program and gives them a greater chance of gaining their first choice of instrument.

The Music tuition payment will be charged via Compass Billing/Events in Term 1 - \$100 for Semester 1, and \$100 for Semester 2 in Term 3.

We look forward to having your child take part in our Music Program and hope to see them further develop their music appreciation and skills during their time at Somerville Secondary College.
