Dear Parent/Guardian

Somerville Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the college's voluntary and extra curriculum financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary under the categories of Curriculum Contributions and Other Contributions. However, under the category of Extra Curricular, please be aware that charges are provided on a user-pays system to enable us to enhance and broaden student experiences. The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support - this makes a huge difference to our school and the programs we can offer.

As can be seen over the last few years, we have invested heavily in our college facilities, and in our staff and students. We continue to do this as we truly believe our students deserve the best possible opportunity to thrive and pursue their wide range of passions in state-of-the-art facilities as they move through our college and onto the next chapter of their lives.

We have also invested heavily in extra-curricular activities and wellbeing programs, as we know the importance of supporting students with their physical and mental health. Even though the categories of Curriculum Contributions and Other Contributions are voluntary, any extra funding we receive enables us to provide the best possible opportunities for our students. Somerville Secondary College is an inclusive school where every child is supported and provided for. Your support has allowed us to create this environment in our college and the resources required.

As we head into the future, we will continue to build our state-of-the-art educational program and the resources required to operate at this level. Your continued support will allow us to provide the latest programs and equipment as we move forward.

FINANCIAL SUPPORT FOR FAMILIES:

Somerville Secondary College understands that some families may experience financial difficulty and offers a range of support options including:

- The Camps, Sports and Excursions Fund (CSEF).
- State Schools Relief.
- Payment plans for Extra-Curricular Items and Activities.

SUSTAINABLE SCHOOL SHOP – 2ND HAND ITEMS

We are delighted to inform you of the school's new initiative to provide parents with the ability to trade these second-hand items via the Sustainable School Shop website. www.sustainableschoolshop.com.au
Results from other schools have been excellent - families have enjoyed a very comprehensive and convenient method of buying and selling second-hand items.

For the best results:

- Register on the Sustainable School Shop website and nominate the school
- A subscription to the service will be provided to you
- List your items for sale
- List wanted ads for those items you are looking to buy
- The school's uniform and book lists are loaded into the system to make listing ads easy
- The system matches the ads of buyers with sellers and notifies the buyer via email
- Buyers contact sellers and arrange where and when to trade
- Most trading will occur with other parents from our school
- Parents are well supported via Sustainable School Shop's telephone (0438 743 444) and email help line
- The system is simple and easy to use - If you don't have a computer, internet access or an email address, please call the Sustainable School Shop for assistance
- You can pre-arrange the transaction and then trade after the texts are not required.

The college is providing this service so there is no cost for families. Each family that registers on the Sustainable School Shop will be provided a subscription to the service.

These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
